

**WITH OVER 50 YEARS  
OF EXPERIENCE, YOU  
CAN TRUST COLBROW**

Colbrow has been providing excellence in healthcare placements since 1957. Founded by Mrs. Collins-Brown, we provide a solution to the need for a continually available pool of Registered Nurses to patients whether in the home or in hospital.

Colbrow has been with the same family for three generations and our people are our greatest asset. We focus on staff growth and development, so you can be assured that each and every one of our team members takes the concept of family by heart and embodies Colbrow's guiding principle—*it's our family values that make the difference.*

**Your Home, Your Life,  
Your Choice**

**The Real Alternative to Moving  
into Residential Aged Care**

# There's Just no Place like Home.

## THE REAL ALTERNATIVE TO RESIDENTIAL AGED CARE

- Remain independent and in control of your life
- Stay involved with your family and community
- Maintain your lifestyle and independence
- Set your own timetable and your own rules
- Make your own choices

## WHY COLBROW HOMECARE MAKES SO MUCH SENSE

Whatever level of care you may need, you can expect to receive superior, personalised medical care and support in your own home.

## THE ADVANTAGES OF HOME CARE

- You can remain in your home, close to family and familiar surroundings
- Maintain dignity in old age by having a sense of independence and control
- Superior quality of care provided by a skilled workforce
- Care plan is tailored to your care needs – from low care, medium care, to high care
- Live life based on your timetable, not by an aged care institution's
- Allows you more freedom and flexibility

## WE OFFER
